AT HÔPITAL SAINT-BLAISE'S CHURCH

Guided tours at the church and watermill

- Discover the local heritage with a passionate guide
- Suitable for children and groups
- An epic journey through stone, water and history
- Experience an authentic village in the Pyrenees.

A walk and a tour at the watermill

- A 15-minute walk along the Lausset stream
- Discover the medieval watermill and its original and working mechanism, typical of the South-West of France
- Return to the car park via an educational trail, ideal for families.

Explore the heritage History and architecture

Key strengths

- The history of the former hospital chapel on the routes to Santiago de Compostela
- Examples of Hispano-Moorish architecture unique in France
- Carved wooden cornice dating from 1148 – original roof structure
- Listed as a UNESCO World Heritage Site since 1998
- Listed as a Historic Monument since 1887.

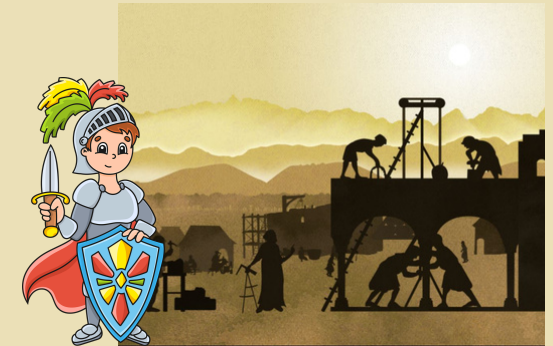

Eyhea Watermill

Annex to the former commandery

A beautiful audio-visual show

« History, beauty, emotion:
a show for the whole family to enjoy »

- Step back into the 12th century, where spirituality, Romanesque art and builders' work come together in a truly exceptional setting.
- The building's star-studded dome becomes the stage for a poetic and educational audio-visual presentation
- Based on authentic historical records
- A captivating journey into the heart of history, suitable for all ages. Not to be missed!
